SUMMARY: On December 10, 1998, City Council approved a use permit request by Ball Park Pub (Michael Cuneo, Two Bar, Inc., Business Owner) for a change of ownership and a time extension. The existing use permit includes disc jockey and/or karaoke music but no live entertainment. The applicant is now requesting a time extension as required on the previous Council approval Condition #2. The Police Department issued an automatic Security Plan renewal since the business has been operating without problems addressed to police or to Development Services staff. Staff recommendation is to condition the use permit on change of business ownership, intensification or expansion of the use, and on verifiable police complaints. If any of these three occurs, the applicant shall come back to the City Council for re-approval. Staff feels that, for this business, the time period stipulation is no longer necessary. Up to this date staff has not received any concerns regarding this request. Staff recommends approval subject to the attached conditions.

COMMENTS: The Ball Park Pub has been in the Anozira Center since 1991. The first 5 years as a restaurant then it was converted to restaurant/bar in 1996. Two years ago the City Council approved a transfer of business ownership and a time extension of the existing use permit. The new owner since 1998, as stipulated by a Council condition #2 on the December 1998 approval, is now requesting a use permit time extension.

The current business owner has been operating the Ball Park Pub without concerns expressed by adjacent neighborhood or existing tenants within the Pueblo Anozira commercial center. The existing use permit includes disc jockey and/or karaoke music but no live entertainment. The Police Department therefore has issued an automatic update on the existing Security Plan for Ball Park Pub and supports the applicant's time extension. Development Services staff also has not received any letters or phone calls expressing concerns about this business.

Staff recommends approval of the use permit extension and deleting previously approved condition #2, two years time review. The use permit is now conditioned on change of business ownership, intensification or expansion of the use, and on verifiable police complaints. If any of these three occurs, the applicant shall come back to the City Council for re-approval. Staff feels that, for this business, the time period stipulation is no longer necessary. Up to this date, no public input has been received.

**REASON(S) FOR
APPROVAL:**

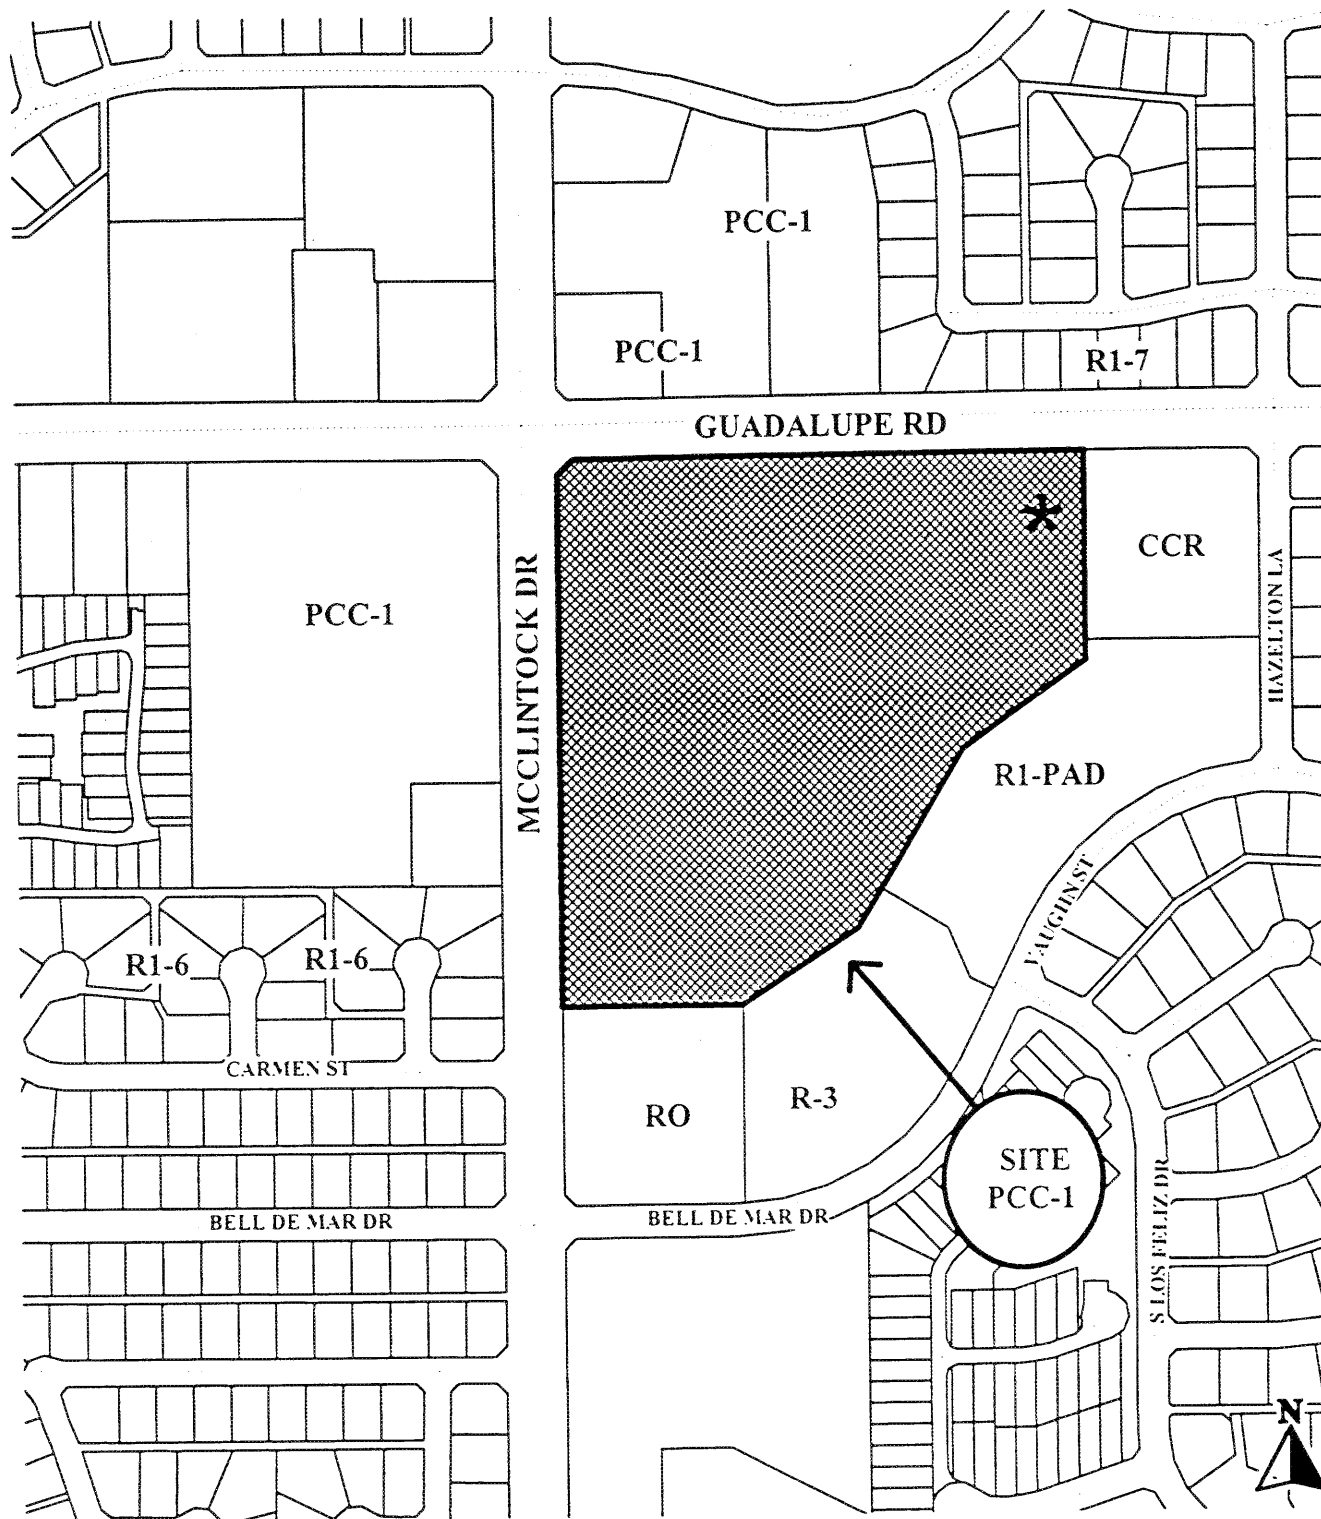

1. The business owner of Ball Park Pub has been operating the business without concerns expressed by the surrounding neighborhood and/or tenants within the Pueblo Anozira Commercial Center.

**CONDITION(S)
OF APPROVAL:**

1. The use permit is non-transferable and is issued to the Ball Park Pub and Michael Cuneo, proprietor, only.
2. Any intensification or expansion of the use shall require the applicant to return to the City Council for further review.
3. Any significant verifiable police complaints (as determined by the City Attorney and Police Dept.) shall require the applicant to return to the City Council for a re-evaluation of the use permit.
4. A security agreement shall be executed and approved with the Police Department prior to Council action.
5. Bar activities shall cease at 1:00 A.M. per State statute.
6. No live entertainment is allowed unless permitted in writing by the City after the appropriate public hearing.

Tempe, AZ 85283

To: Management/Owners of Ball Park Pub:

This is to inform you that your current Security Plan with the City of Tempe has almost expired. After a reexamination of your establishment we have found no specific reason not to renew your Security Plan at this time.

Please acknowledge your acceptance of this automatic renewal for your existing Security Plan by returning the enclosed document signed and dated to Buck Rogers before your expiration date of November 24, 2000.
